

## North Peak Announces CEO Transition

Calgary, Canada

February 10, 2025

**North Peak Resources Ltd.** (TSX Venture: NPR) (the “**Company**” or “**North Peak**”) announces the appointment of Rupert Williams as Chief Executive Officer and as a director of the Company. Brian Hinchcliffe, who had been acting as the Company’s CEO, will remain as the Company’s Executive Chairman and on the Board of Directors of the Company.

Mr. Williams is a financier and since 2015 has been a director of Smaller Company Capital Ltd. In the last fifteen years, Mr. Williams has been instrumental in raising more than £500 million in capital for mining companies and managing key corporate clients. He co-founded Ocean Equities in 2003 to take advantage of rising commodity prices. Mr. Williams’ role at Ocean Equities was to bring in corporate clients and organize fund raisings both primary and secondary. There he led a sales team of six with the support of four research analysts concentrating efforts on junior and mid cap mining companies.

“Following our successful drilling campaign at Prospect Mountain last year, we have exciting plans for 2025 and by welcoming Rupert Williams, with his strong financing experience, management is well positioned to drive the Company forward,” commented Brian Hinchcliffe, Company Chairman.

“Having been involved in earlier financings for North Peak and as a shareholder I am excited to join the team”, said Rupert Williams. “The board and I would like to thank Brian for leading the Company through the early stages of acquiring the Prospect Mountain asset and setting the Company up for the next stage of development.”
